

# CUT *by* CUT

BRING BEEF EDUCATION TO LIFE

**Looking for a  
Hands-On Approach  
to Teach Beef Cuts & Anatomy?  
The Beef Display Carcass Model**

*is the perfect solution! Half the size of a steer and separated into quartered sections, this model includes 21 magnetic pieces depicting the most popular cuts of beef. Ideal for classrooms, demonstrations, and training events, it's an engaging and interactive teaching tool that simplifies complex topics.*

**Contact the Friends of Canadian Simmental Foundation to learn more and book the model for your next event!**
